With the origins returning to 1870s Wales, This Old Man is a fairly established nursery rhyme. What is believed to be the original version was not published until 1937, however, and the version, which is familiar to most of us, was published in 1906. The most common version works: This old man, he played one, he played knick-knack on my thumb; With a nick-knack paddywhack, this old man came rolling home. This old man, he played two, He played knick-knack on my shoes; With a nick-knack paddywhack, this old man came rolling home. This old man, he played three, he played knick-knack on my knee ... Etc. This old man, he played four, he played knick-knack on my door ... Etc. This old man, he played five, he played knick-knack on my hive... Etc. This old man, he played six, he played knick-knack on my sticks... Etc. This old man, he played seven, he played knick-knack up in heaven... Etc. This old man, he played eight, he played knick-knack at my gate ... Etc. This old man, he played nine, he played knick-knack on my spine... Etc. This old man, he played ten, he played knick-knack again... Etc. Most modern versions replace the patty with Paddywhack, a more politically correct term given that Paddy can be interpreted as a derogatory term, often translated as brownie by the Irishman. Some historians have also suggested that a more modern version was prompted by a famous pervert who would suggest playing paddywack with young passers-by in a particular colonial town. The song was distributed as a way for townspeople to let the old man know they were at it, and warn the children against it. An even earlier version was told and published by Anne Gilchrist, who said she learned about it from her Welsh nanny. With its quirky language, the lyrics are clearly preceded by a version of the old, and is pertinently innocent, like a children's song. My name is Jack Jintl, the oldest, but one, and I can play nick-naak on my own thumb. With my nickname-nak and lock and singing a beautiful song, and all the beautiful ladies come dancing together. My name is Jack Jintl, the oldest, but two, and I can play nick-naak on my own shoes. With my nickname-nak, ... Etc. Copyright © 2011 Meredith Corporation. From Fifth Harmony to One Direction, as a boy and girl band isn't really long. That's if you're not talking about Little Mix. The British maiden band won the British X Factor in 2011 and was the first group of girls ever to make it to the British version of the show. They've been making bangers ever since, but not as big in the American yet. To truly convince why Little Mix should be a hit, here are seven videos to show. It's also a good introduction to them if you've never heard their music before. It's such a bop, with a few levels to the song. It has rhythmic, stakato poems, followed by more fluid, sensual chorus. It's a song that's great for working out, dancing or a great hype-up song. As one of the best comments said: Every time I listen to Little Mix, I become a quirky confident queen, then the song ends and I'm on my way back, being a bit of a potato.) 2. Black Magic One of Little Mix's first hits, and songs in general, Black Magic tells the fantastic story of wanting to use a love potion on a guy to get them to finally spot you. Although it is, of course, just fantasy, the music video is so worth it. Four members play such nerves or awkward girls who have massive crush on this one guy. They grab a magic book and start sabotaging the middle girl and helping other less popular children at their school. It's fun and really ocused their massive start. 3. Love Me Like You Retro-inspired song Love Me Like You will remind you of the jam of the 1950s. It slower and perfectly emphasizes their voices. He also has this great 1950s concept to long for and gag for a guy who seems to be one of a kind. However, the 2015 video shows that maybe some guys are too good to be good. No matter how you take its meaning, it's a fun song that will put you in a happy, bright mood. 4. Think of us ft Ty Dolla \$ign Think of us mostly about when you're so into someone that when you think of them (which is a lot), you can't help but wonder or hope they do the same. Whether it's at the beginning of a relationship or near its end, it's definitely worrying or thought someone might have. The song itself is also a really, really good vibe. A tat can be for dancing or just a nice background impulse when you need it. 5. A woman like me ft Nicki Minaj Little Mix has always had a basic or sometimes excessive message about empowerment. Woman Like Me, one of their new songs, basically says they're strong, candid and sometimes don't really behave as a proper woman should. But they love the guy and wonder if they can handle them? It also has Nicki Minaj and such a good song to make you feel powerful. 6. CNCO duo Reggaeton Lento Initially Reggaeton Lento was completely in Spanish, as it was a single of the Latin American boy band CNCO. Little Mix jumped on the remix and it's such a good song. It's definitely a different style of music they usually do, however they perform it perfectly. There are still parts in Spanish and it's perfect for dancing. 7. Shout at my ex Ok, time to bring it up with one of Little Mix's best and greatest songs. It's the ultimate breakup song. It's not demeaning to the former, per itself, but instead it inspires girls. They thank their exes for what they have made them who they are now by teaching them and also being out of their lives now. Honestly, this is Thank you U, Next, but obviously years ago. It is also known about Zayn Malik, who allegedly broke up with Little Mix member Perrie Edwards over a text message. It's the perfect song to scream lyrics, even if you don't have ex. ex.
